

ONE DAY OF SERVICE ONE GLOBAL FORCE OF GOOD

**SERVE LOCAL.
MAKE GLOBAL HISTORY.
TOGETHER.**

MAY 16, 2026

Imagine this:

All Rotary clubs worldwide, alongside community volunteers, **deliver local, hands-on service projects** that meet real needs in their own towns and cities. Each project becomes a high-visibility moment of impact that builds local pride, attracts media attention, and invites new people to serve with Rotarians. And when every club takes action **on the same day**, those local projects connect into something bigger: **a global, record-breaking day of service** that strengthens Rotary's public image and fuels membership growth.

MAKE YOUR CLUB'S SERVICE PROJECT EPIC!

A simple playbook to plan, recruit, promote, fundraise, and turn service into measurable public image, fundraising, and membership growth.

What You'll Deliver

On EPIC Day of Service, your club leads a hands-on local project that:

- solves a real need in your community
- brings new volunteers to serve alongside Rotarians
- creates a high-visibility public image moment people notice
- raises funds to power service all year
- turns day-of momentum into membership growth

What EPIC Gives Your Club

What You Get Through the EPIC Platform:

- Club Project Page (your project details)
- Volunteer Sign-up (community-friendly registration)
- Public Image Toolkit (graphics, templates clubs can copy/paste)
- Fundraising Tools (peer-to-peer pages + simple giving)
- Impact Reporting (hours, volunteers, dollars raised—easy to share)

Make It a Public Image Moment

Your Public Image Checklist: (Do These)

- Choose a visual, measurable project
- Partner with 2–3 local orgs (schools, food pantries, libraries, arts orgs, etc.)
- Set clear goals: volunteers + impact
- Get photos/video (assign one person to capture it)
- Post that day (tag partners, use EPIC/Rotary hashtags)
- Send a short press note (template provided)

Convert Volunteers to Members

Turn Service into Membership (The Follow-Up Plan)

- Collect volunteer names/emails automatically through sign-up
- Invite volunteers to a Rotary open house / social within 7–10 days
- Offer an easy on-ramp: “Serve with us again” or “Try Rotary for 3 meetings”
- Assign follow-up owners (2–3 members) to personally invite people back.

A local win for your community. A global headline for Rotary.
